Reading 	<p><i>In Year 2 to Year 6, we use Ready Steady Read Together to teach reading. It is a clear, structured and supported programme to develop: fluency, metacognition, oracy and comprehension skills. In our reading lessons, children will engage with a wide variety of carefully selected text extracts, encompassing different genres and styles. Through these extracts, they will develop and apply key strategies – ‘look around’, ‘main point’, ‘paint the picture’, ‘question the text’, ‘find and take’, ‘read between the lines’, ‘sequence it’ and ‘what next?’ – to deepen their comprehension and critical thinking skills. This approach allows for focused exploration of language, structure and meaning across a broader range of literature.</i></p>
